

Vacancy: Trade & Economics trainee

Are you a recent graduate looking to kick-start your career in an international and multidisciplinary environment? We are offering an exciting opportunity for a **Trade & Economics trainee** to join our team in Brussels! This is a fantastic opportunity to gain professional experience in a dynamic and international environment.

Fertilizers Europe represents the interests of the European fertilizer industry. We are the source of information on fertilizers and the sector's voice in Europe. We deal with questions related to **international trade law and economics**, agriculture, environment, technology, safety, as well as supporting our members with statistics and other information.

Contract Requirements:

This is an entry-level opportunity for recent graduates who have an authorization to work in the EU.

Application Deadline: 1 December 2024

Starting Date: 20 January 2025

Duration: 6 months to one year

Employment Type: Full-time, EU Area, Brussels

What We Offer:

- An opportunity to develop your professional experience in a dynamic and international environment;
- You will be part of a multi-disciplinary team (law, economics, statistics, agronomists, and others);
- Paid traineeship under a Belgian "Convention d'Immersion Professionnelle";
- Meal vouchers and public transport allowance.

Your Responsibilities:

- Assist in preparing data reports and analyses on key markets;
- Regularly update market intelligence reports and collaborate with member companies;
- Work alongside other analysts on research projects;
- Participate in various working committees and/or projects.

Education, Skills & Competencies:

- Degree in Economics, Statistics or related field from a European university;
- Solid understanding of international trade and trade defence;
- Excel skills are a must;
- Experience with Trade Defence (antidumping) is preferred;
- Fluent in both written and spoken English;
- Fluency in other European languages is a plus.

Your Personality:

- Able to work independently, take initiative, and be a strong team player;
- Organized with a structured approach to handle high volumes of work and meet deadlines;
- Capable of communicating and working in a multicultural environment.

If you're ready for a hands-on learning experience in the world of Trade & Economics, apply today!

How to Apply:

Submit your CV and cover letter to jenny@fertilizerseurope.com before **1 December 2024**.

CVs with no motivation letter will not be taken into consideration, thank you.
